

TECHNICAL DETAILS

MELTBLOWN NON-WOVEN

Process Features

Machine Name : Meltblown Production
Production Technology : M
Process Type : Melt Blowing
Pattern Type : Plain
Production Width Max : 160 cm max .

Product features

Raw Material : 100% Polypropylene
Weight Range : Min. 20 gr/m² – Max . 1 00 g / m²

Additives : UV protection
Flame delayer/Fire reterdant
anti-static
Antibacterial

Color : Specified in color chart
